Advance Through Nursing

Scholarship Support

If accepted, you may receive up to \$5,000 in scholarship support while enrolled in an eligible nursing program.

Important details:

- Award amounts vary by state
- You will have five business days to accept or decline your award
- Different award levels may have different post-graduation work commitments
- Your award amount and commitment details will be included in your acceptance letter
- Scholarship funds may be used toward tuition and other eligible school expenses with verified documentation

Student Loan Repayment

If you complete two years of employment as a BAYADA nurse after graduation, BAYADA will repay up to \$10,000 toward your eligible federal or private education loans.

Important details:

- Payments are made monthly, directly to your loan servicer
- You remain responsible for the terms of your loan agreement
- If you leave the program or your employment at BAYADA ends, you may be responsible for any remaining loan balance
- Payments continue while you remain employed, meet program requirements, and have an eligible loan balance

Who Can Apply

You may be eligible if you:

- Have been an active BAYADA employee for at least 90 days from your first billable shift
- Work at least 20 hours per month and can maintain that schedule while in school
- Are enrolled in an LPN or RN program verified for accreditation by BAYADA
- Are pursuing your first nursing credential (not already licensed as an LPN or RN)
- Are eligible for federal or private education loans

Employment at BAYADA does not guarantee enrollment in the Advance Through Nursing Program. All interested candidates must complete a separate application process.
